Summary

Junior Software Engineer with 1+ year of experience in backend development using Laravel and PHP, 3D web visualization with Three.js, and software testing. Skilled in debugging, code review, and test case validation within a team workflow using Git and Azure DevOps. Seeking opportunities to build reliable, maintainable software.

Work Experience

Junior Software Engineer (Backend)
SALCO Software Development Services | Oct 2025 – Present

- Improve the 3D product visualization of a client's web-based system using Three.js, making models more accurate and reliable.
- Fix bugs and resolve model-related issues, reducing display errors in the 3D viewer.
- Enhance system functionality by developing new features and improving existing ones.
- Review code changes and pull requests to maintain code quality.
- Validate test cases and verify fixes and new features before release.
- Track tasks in Azure DevOps and prepare accomplishment reports for the team.

Backend Developer (Internship)
Zenith Core Solutions | Mar 2025 – Jun 2025

- Built backend email services using Python.
- Integrated an email service into existing systems.
- Supported backend improvements and worked with the team on system functionality.

PROJECT EXPERIENCE

School Activities Scheduling and Equipment Inventory Management System (Web-Based Capstone, Laravel, Supabase)

- Developed a full web-based system with scheduling, tracking, and inventory management modules.
- Designed the database and implemented backend logic.
- Replaced manual scheduling and inventory tracking with a centralized web system.

TECHNICAL SKILLS

Backend: Laravel, PHP, Python
3D / Frontend: Three.js, JavaScript, HTML, CSS
Database: MySQL, Supabase
Practices & Tools: Git, GitHub, Azure DevOps, Manual Testing, Test Case Validation, Debugging, Code Review, Claude, Cursor, Lovable, Vercel, Netlify

Education

IETI College of Science and Technology Inc. | June 2026
Bachelor of Science in Information Technology | Best in Capstone

IETI College of Science and Technology Inc. | June 2025
3 Year Course Diploma in Information Technology | Third Honor

Certifications

- **Claude AI Workshop,** SALCO (2026)
- **CCNA: Enterprise Networking, Security, and Automation (course completed),** Cisco Networking Academy (2026).
- **IT Support Technician,** Alison (2025)
- **Networking Essentials,** Cisco Networking Academy (2023)
- **NC II Computer Systems Servicing,** TESDA (2022)
